5.5 BY 8.5 INCHES

Kate Earnshaw's father's suicide has left many unanswered questions, and the more she discovers, the more Kate wonders if she ever really knew him. Other families pass down their stories, Kate Earnshaw's family's secrets disappear from one generation to the next. Can she trust Evan Hastings, the handsome, but somewhat puzzling man who lives on the property near her father's abandoned family home? Curiosity and jealousy about Evan's relationship with her father calls her back to eastern Colorado, where they unearth more than the past.

"A lesser author would have delivered a familiar, spunky-and-hunky romance between Kate and Evan, but Starbuck deepens their relationship and does it justice...An Altogether satisfying romance and whodunit."—*Kirkus Reviews*

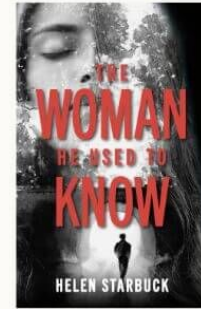

FINDING ALEX

5.5 BY 8.5 INCHES

Assaulted, left for dead, and amnesic, the woman who *thinks* her name is Alex, may be the only surviving victim of a serial killer. With each new victim, it becomes more crucial for Alex to remember what happened to her if Detective Blake Halloran and his partner are to solve the murders. But how do you force someone to remember? As Blake's strong attraction to her and his need to protect her grows, so does his uneasiness about the inability to identify her.

"With compelling characters and a suspenseful plot, this is a murder mystery you won't want to miss!"—*Chick Lit Café*
